the products are
available with
FSC™ certification

TÜV NORD GS TESTED SAFETY *that's us!*

Tested and certified by TÜV NORD these products meet the requirements of the Product Safety Act ProdSG § 21
Registration No. 44 329 14148812.

MADE IN GERMANY *that's us!*

Our products are manufactured for you at the company site in Horhausen, Rhineland-Palatinate. This is the only way we can guarantee the high quality standards we set for our products.

PREQUALIFIED *that's us!*

We are registered in the list of prequalified construction companies with the number 010.049740, proving that we are qualified for the products and services we offer.

INNOVATIVE & DESIGN-ORIENTED *that's us!*

With our design-oriented and innovative products, we convince not only our customers, but also national and international committees.

red dot winner 2021

Individuality for all cases.

The ingenious combination of high stability, absolute water resistance, easy cleaning and sophisticated design means that Schäfer toilet partition type VK13 cubicle system in 13 mm solid grade laminate panels are suitable for all areas of use. Regardless of whether toilet, shower or changing room, the Schäfer VK13 cubicle system leaves enough options open for individual space and colour design.

Features type VK13

Supports:

- Height-adjustable support foot made of stainless steel
- Complies with DIN 1.4301
- This variant is utilised when powder-coated profiles are used

- Height-adjustable support made of anodised aluminium (E6/EV1)
- This variant is used with the anodised profiles

Hinge:

- Anodised aluminium rising hinge with high-performance polymer
- These inserts guarantee absolute freedom from maintenance and a silence closing of the door
- The parts never wear out or show signs of fatigue, ensuring that the doors still close perfectly even after years of use
- Stainless steel tapping screws are used to screw stainless steel hinges to a plate equipped with tapping holes

Finger protection:

Optionally available:

- Two interlocking aluminium profiles on the hinge side
- Highly effective and durable finger pinch protection
- Integrated self-closing function
